About Third Coast Activist Resource Center

Third Coast Activist Resource Center sponsors progressive / left educational events in the Austin community -- primarily films and speakers. Many of our programs are also available on Austin cable access television. A schedule of upcoming community events and cable programs can always be found at ThirdCoastActivist.org.

We also support community groups, churches, and schools that want to present programs on contemporary political issues, especially those involving the role of the United States in the world. The Center maintains a library of educational videos from which groups or individuals are welcome to borrow; titles are online. If a group would like a speaker to appear at the screening or other event to guide discussion or answer questions, just let us know.

Coming up in Fall 2006:

Sept. 21 - P. SAINATH

journalist and author,
Everybody Loves a Good Drought

Oct. 10 - SONALI KOLHATKAR and JIM INGALLS

Uprising Radio, KPFK - Los Angeles

Nov. 9 - MAHMOOD MAMDANI

author, *Good Muslim, Bad Muslim:
America, the Cold War, and
the Roots of Terror*

VISIT ThirdCoastActivist.org and sign up for the low-volume NOWAR email list to hear about these events and more.
